PATNA: National president of [Cancer Awareness Society](#) (CAS), T P Sinha, and its vice-president, Dr A A Hai, on Monday urged the people not to use [tobacco](#), at least on November 7 observed as the Pledge Day every year. Sinha said about 2 crore students of 2.50 lakh schools across the state would take the pledge that they would never consume tobacco and its products. They would also take the pledge to persuade their family members to stop using tobacco and its products, Sinha said. Dr Hai said 53.3% of the state population use tobacco and its products. The state government's decision to observe Pledge Day and ban on sale of gutka in the state would help bring down their consumption to 35% (national average) in next three years. State [IMA](#) president Dr A K Thakur and its vice-president Dr Sahjanand Prasad Singh hoped the state would become tobacco free some day. IMA national chapter member Captain DVS Singh lauded the state government for its decision while Red Cross Society chairman, Dr Vinita Prasad, said the decision would help in reducing the number of cancer patients in the state every year.
