Workshop on `COTPA` held in Kundapur: Shops raided

Udupi: The government has passed `COTPA` act to prohibit the use and sale of tobacco products. The government is determined to implement this act said, Dr. Jhon, state Nodal officer of Cotpa.

He was speaking as resource person in a special seminar on Cotpa implementation organized by Kundapur police sub division at Kundapur taluk municipal hall.

The tobacco products like cigarette, beedi, gutka etc cause ill effect on our health. They cause cancer, asthma and even nerve related problems. The people who don't smoke become passive smokers.

People must abstain from smoking or they will have to count their days, he warned. Many documentaries on the ill effects of the tobacco products were displayed.

He also said that if selling of tobacco products inside the government office premises, educational institutions or any other organizations is seen, the chief officer of such organizations will be made responsible for the violation of act.

Team of DySP Manjunath Shetty and Kundapur circle inspector Diwakar P.M raided the shops and seized illegally selling tobacco products. They also served a warning notice to the shop owners. The raid was continued till 7.30pm.
